SIR:

This is in response to the first Office Action dated September 17, 2008 in which claims 1 through 11, being all of the pending claims, were rejected under 35 U.S.C. §103(a) as being obvious over Coran (US 2003/003187) in view of Brun (USP 5,653,934). Applicants have carefully considered the grounds of rejection and the disclosures of the two patent documents relied upon in rejecting the claims under 35 U.S.C. §103(a). It is applicants' position that certain essential limitations of the claims have either been misconstrued or overlooked in applying the cited disclosures of the references.

Applicants therefore respectfully request reconsideration of the rejection set forth in the Office Action. In particular, applicants respectfully submit that the analysis of the disclosure of
